The marginally noted communications from the Presidents of Districts Boards in regard to payment for vaccine lymph supplied to them from the Government Vaccine Institute, Bangalore.

2. Correspondence ending with letter No.C.180-4 dated 8th October 1920 from the Offg. Sanitary Commissioner in Mysore submitting a statement showing the cost of lymph supplied to ~~the various~~ certain local bodies in the State and explaining the practice prevailing in Madras in the matter of recovering the cost of lymph supplied to the District Boards and Municipal Councils in that Presidency.

O r d e r No. G.12264-76 Dated, Bangalore 23rd Dece 920

Dt.Bd. Bangalore ... 1,236.
do Mysore ... 1,848

The statement ~~given in the margin~~ appended hereto goes to show that, while the total cost of lymph supplied to the eight District Boards, the two city municipalities and the Kolar Gold Fields Sanitary Board during the calendar year 1919 amounted to Rs.10,262-9-3, the cost actually borne by the two city municipalities was only Rs.596-0-3 and the rest of the local bodies mentioned therein got a free supply of the lymph at the cost of the Sanitary Department. It appears scarcely reasonable to continue this practice any longer particularly in view of the fact that under section 8 of the Local Boards Regulation, District Boards are required to provide for the control and administration of measures likely to promote the health,

comfort, convenience, interest or welfare of the public and under section 54 of the Mysore Municipal Regulation, it is one of the obligatory duties of Municipal Councils to make reasonable provision for ~~public~~ vaccination and further under section 24 of the Mysore Mines Regulation, the Kolar Gold Fields Sanitary Board is expected to provided for the proper and timely treatment of persons affected with cholera or other epidemic diseases.

2. With a view to have ~~a~~ uniformity in ~~practice followed in the~~ matter of meeting the cost of vaccine lymph supplied to the various local bodies in the State, the opinions of the District Boards were invited ~~in~~ on the ~~matter~~ point and after a careful consideration of the views expressed by them, as also of the practice prevailing in Madras, Government are pleased to direct that, in future, the cost of ~~xxxxxx~~ Vaccine lymph supplied to District Boards and Municipalities in the State as well as the Kolar Gold Fields Sanitary Board be borne by the respective local bodies.

3. This practice will come into effect from 1st January 1921, the cost for the remaining portion of the current official year being met by re-appropriation by the various local bodies and necessary provision on this account being made in their budgets ~~of the local bodies~~ concerned in future ~~years~~.
